EDITORS LETTER

Dear Friends

The Summer with all its variations in Weather has come and gone. Never the less there are always bright patches in our everyday lives to cheer us up. One of these was the charming letter which I received from Mrs Catherine Cookson. She said, and I quote part of her letter here, "Thankyou for your congratulations on my having been awarded the O.B.E. as announced in the recent 'Queens Birthday Honours List'. I did appreciate it".

It is this type of response and the feed back that people convey to me in many ways that makes my task as Editor worthwhile. Without feed back it is very easy to get into a situation where I just accept material, have it printed then forget all about it. So it is heartening to find that this village believes in our paper.

There are also times when items included in the News deserve comment from myself. It is good to see that the 'Special Efforts' of Harry Watson and his family and friends raised a vote of Thanks at the Annual General Meeting of the Community Association. It is good to find that Mr Watson and friends will still be raising money this year and next year as usual.

By the time this issue is in your homes, you will be well aware that there is to be a Tyndale District Council By-Election. You will also know that MARION HOWARD (thats me) and ENID GARROW will be your Candidates.

ENID and MYSELF extend our Best wishes to you as our potential voters. We also say please come out and vote, It is your democratic right to choose.

As always may I extend my own best wishes

Marion Howard.

PARISH COUNCIL PICKINGS

The last meeting took place on 25th July. There was no meeting in August.

Eight out of the current compliment of ten councillors attended. So did County Councillor D Gibson.

Elections: No public demand was made for a bye-election for a Parish Councillor. It is now up to the existing Council to co-opt another member. They decided to wait and see if the new District Councillor (for which job there is to be an election) will want to serve on the Parish as well.

ROADS : Cllr Gibson said that there were some indications that the by-pass question has not been completely shelved by the Ministry. Haltwhistle Town Council is making great efforts to lobby concerned, and Cllr Waite offered to see whether their efforts could be supported (to our advantage as well) by Haydon Bridge. Meanwhile it is said that traffic counts do not indicate that the improvement at Greenhead has increased the traffic flow.

PARISH PICKINGS CONT

As for the improvement at "Watsons Garage", this seems to have got lost down the back of some filing cabinet. Cllr Gibson will try to find out where.

In Church St, the councillors have had a look at the Post Office corner, and agreed to ask the County to extend the pedestrian barrier outside the Railway Hotel to coincide with the end of the Double Yellow Lines, and thus discourage parking which can be very obstructive, even for a short period.

Church Street Trees : In a typical local government set-up, the trees are owned by the County and maintained by the District for the benefit of the Parish. The District is quite willing to alter the lopping system, or even replace the trees with something more decorative. Cllr Waite promised to try to discover who would be footing the bill and what sort of expense would be involved in these suggestions. Nevertheless, the Council is not altogether confident that it knows what the general opinion about the trees is. If you have a view on the subject please make it known to a Parish Councillor or to the Clerk.

Planning permission : has been sought for another bungalow on the Heugh House Lane site.

Financial support to Haydon Bridge Community Association of £560 and to Langley Village Hall of £190 was approved.

Cllr Waite described the sewerage problem at Brigwood. In spite of the unpleasantness for the residents, it was agreed to say thank-you to the District Council men who arrived promptly and worked for two days to get it cleared. The Water Authority will receive a copy to remind them that the system is now their responsibility.

SALMON

With all the salmon being caught here is a little recipe to make a change of a fish meal.

SALMON CUTLETS

INGREDIENTS

4 neat cutlets of fresh salmon
juice of 1 lemon
½ a cucumber

2oz butter
2 tablespoons white wine
chopped parsley

METHOD

Butter a fireproof dish, place the fish in it, side by side and sprinkle lemon juice and wine over. Cover with buttered paper and cook for 20 minutes in a moderate oven. Meanwhile peel and cube the cucumber and boil in slightly salted water till tender. Strain, arrange in a border on a hot serving dish and place the cutlets, when ready in the centre, Strain the liquid from the fish over and sprinkle parsley on top of the cucumber.

OVEN TEMP = 4 or D or 375°f.

SHAFTOE EDUCATIONAL FOUNDATION

The following notice has been posted in the village

1. Shaftoe Educational Foundation Ref 528101 A/I-L3
2. John Clark Scholarship Fund.

The Charity Commissioners for England and Wales propose to make an Order establishing a Scheme for this and other purposes. Any objection to the proposed Scheme or suggestions for modifying it should be sent in writing within one month from the date of this notice to the Secretary, Charity Commission, Graeme House, Derby Square, Liverpool L2 7SB quoting the reference above.

Copies of the proposed Scheme will be supplied on written request to the Charity Commissioners (quoting the reference above) and may also be seen at their office or at the following address:

SHAFTOE CENTRE LIBRARY
CHURCH STREET

DATED THE 21st AUGUST 1985

The Educational Foundation is at the present operating under Rules laid down in 1962. The purpose of the new Scheme is to bring these rules up to date, and also to clarify the relationship between the Educational Foundation and the Almshouse Charity.

HAYDON BRIDGE BY-PASS

In 1982 the proposed "Preferred Routes" for the Haydon Bridge By-Passes were announced. The February Issue of the Haydon News carried the news and reproduced a map of the Proposed "Red B Route".

At the time no promises were made as to when work would start on the Scheme.

Since then hopes have been raised and dashed on many occasions.

Arising from many recent meetings of the Parish Council, CLLR Philp has constantly tried to keep the issue alive. As part of this she has, with the aid of the Parish Clerk, petitioned Haulage Contractors and Large Firms who transport goods along the A69. She has had some replies and they are still being returned.

At the last Parish Council Meeting it was suggested there was some hope of resurrection of the matter by the Ministry in the future.

With this ⁱⁿ mind I think it is time that we should start to build up a pressure group here in the Haydon District. Although Mrs Philp was not available to endorse this suggestion, I am sure she will support and future involvement that residents can give.

LET US HAVE A MEETING OF INTERESTED PEOPLE
LETS FORM AN ACTION GROUP

If you are interested either Contact Mrs M Howard or Mrs Philp Rockspring crescent.

I will be willing to chair the first meeting and allow the due processes of interest and support to take us into the future.

M J Howard.

LITTER

I was very heartened to read in last month's 'Haydon News' of the survey of rubbish done by the Guides (although appalled by its results) and of the efforts by Mr Thompson the Headmaster of the School to make the pupils more aware of the problem.

I'm sure I can't be the only person who lacks the courage to confront a person throwing litter away by picking it up and returning it to them.

I wonder whether it would be possible for a poster/slogan competition to be organised in conjunction with the local schools and organisations- perhaps incorporated into project work - but open to everyone to have a go. The entries could be displayed in the Community Centre with the winning entries put in windows etc around the village of Haydon Bridge. If anyone is interested in helping to plan something like this would they please let the Editor, Marion Howard, know and we can take it from there.

COMPETITION

The Friends of Haydon Bridge, wish to announce that a Competition will be held in the near future, based on the suggestion made in the above letter, As there is a certain amount of organisation needed to launch this event, more information will be made available in our next issue.

ST JOHN OF BEVERLEY'S CHURCH NORTH BANK

The Gareden Fete held at St John's Catholic Church raised the large sum of £2, 150.00. This was a wonderful effort by all concerned. I wish to express my very sincere thanks to the many non-catholic friends who came to support us and to all who contributed so generously. Your support, kindness and generosity is very much appreciated. Apart from the financial success it was a wonderful social occasion for all of us.

God bless all of you.

Rev Thomas Power

Regret to be sending this news to you at this late date. I've been on holiday etc. so missed the August edition.

Thanking you

Rev T Power.

SAVE THE CHILDREN

Save the Children Tyndale Branch wish to express their appreciation and thanks to everyone who supported the Supper Dance at the Haydon Bridge High School on June the 15th which raised £375.

Yours sincerely

DAY CENTRE

Once more I am putting out a plea for help at the day centre. I am DESPERATE for TRANSPORT help to bring the members to the Centre and take them home. I am having to beg this help now because I am loosing my Main transport lady who has worked with me for the last Five years, we are all going to miss Mrs Birkett when she goes. I am trying to collect names of people who are willing to help. So I can make a Rota, to work the same as my Rota, for morning and afternoon helpers. The transport entails about half an hour in the morning, and the same in the afternoon. We bring them in for 10am approx, and take them home at 3.30pm. You can claim 19.9p per mile for petrol. I will also need a volunteer to help me collect the lunches from Hexham Hospital at 11.30am.

We are taking the members Plus helpers for an outing to Gilsland Spa Hotel on Tuesday July 23rd. According to the programme they are going to have a full afternoon and end up with a high tea. We hope to have an open day sometime in October and would be gratefull for any gifts for the stalls, This is the one effort we have to raise money for their outing and their Xmas Party. Thank you for reading this letter and I hope it does some good for the centre.

HAYDON BRIDGE METHODIST CHURCH SUNDAY SCHOOL ANNIVERSARY

It was an exciting occasion this year when we were delighted to welcome Roger Jones, the composer of many Christian cantatas, as our special guest.

Capacity audiences on Saturday night and Sunday morning were carried along by the nerve and vitality which Mr Jones ingendered into the children, choir, and congregation alike, as he conducted his own composition "GREATER THAN GOLD". It tells the story of Mary a Welsh girl who walked 28 miles barefooted in order to get her own bible. The title role was performed by Elizabeth Kanes, whose sweet tones evoked the whole range of sentiments from enthusiasm and faith to disappointment and pathos.

Stephen Rowath and Jane Stacey, as her parents, were confident and convincing while her brother and sister were portrayed mischievously and sympathetically by Andrew Parker and Jane Philp respectively. Stephen Todd as narrator competently linked the whole piece. Would that individual mention could be made of each of the forty plus children who took part. However, we shall long remember Marys Welsh playmates, the bazooka players and the shepherd diligently seeking his lost sheep.

After tea which was served in the schoolroom on Sunday afternoon, Roger Jones led the evening service he demonstrated his faith and ministry techniques through music, which brought an exciting and challenging weekend to a close.

We hope we shall be blessed with the pleasure of his company again in the near future.
