Dear Friends,

As your new District Councillor, I intend to work for the best interests of all who live in the Haydon Ward. Each week I will set aside two hours on Wednesday evening, from 6.30 to 8.30, during which time you are welcome to call and discuss problems or other matters needing attention. Should you wish to have a word at any other time, please do not hesitate to call me on HB 535.

Best Wishes

MARIAN HOWARD

PLEASE LET ME HAVE ALL LITERARY CONTRIBUTIONS at 10 RATCLIFFE ROAD by  
24 OCTOBER 1985

Thank You - Editor

Nine out of ten serving Councillors present. In accordance with the decision taken at a previous meeting the new district Councillor (our Editor Mrs Marion Howard) was invited to join as a co-opted member. She accepted, so that made ten out of eleven.

Once again, the greater part of the meeting was devoted to highway matters, four questions being raised on behalf of the Friends by your reporter. Other members of the public left the Council in no doubt about their dissatisfaction at the complete lack of progress in finding an answer to the problem of the Ratcliffe road back lane. Councillor Waite recited a history of District Council deliberations on the subject going back to 1979. Bringing the road upto a state in which the County would adopt it was estimated to cost £17,500 in 1980. Tynedale could not afford it then, and are even less able to do so now, and in any case will not move while the Ratcliffe Road homeowners are not prepared to bear the cost for that part of the roadway which belongs to them. Clearly, some more radical approved to the problem will be needed.

Councils and Government continue to swap correspondence on the by-pass but nothing visible can be said to be happening. The best the Department of Transport could produce was an undertaking to look into ways of "improving the situation" where the road passes through the residential areas. (Triple Glazing?)

We are informed that Eylish Industrial Estate Ltd made us promises about making up the lane to Railway Cottages (another private road). The pavement outside Marsh's shop will be looked at, North Bank, below Toft Hill Cottage, where drainage work has been carried out, will almost certainly be tidied up in due course.

At the Allendale road junction (Watson's Garage) the NCC surveyors have found unforeseen problems with the ground-so its back to the drawing board.

Brigwood's problems are receiving attention, The water company is considering what it can do about brown water and waste authority is contemplating the sub-standard sewers.

#### Neighbourhood Watch

There is to be a public meeting at 7.30 pm on 8th October in the Community Centre to discuss the proposed Scheme covering North Bank and Belmont etc. These Schemes have been very successful in reducing small crime elsewhere, and police representation will be on hand to explain and answer questions.

#### Charlotte Straker Hospital Corbridge

Mrs Howard has been deputed to represent the village on a proposed Save - the - Hospital Committee.

It looks as if the Northumberland Theatre Company will continue to survive for another year. The Parish Council made a further donation of £25 but the best way to keep them in business is for people to turn up at their performances, which everybody says are splendidly well done.

CROWN PAINT FINAL

What a day. Mr Baker was made MAN OF THE MATCH and the Crown Paint  
Cricket Final will never be the same again, that is until next year,

Lanecost were all out for 97 with J Carruthers taking 3 wickets for  
11 and D Bell 3 wickets for 21.

Haydon Bridge made sure of their victory by scoring 98 runs with only  
4 wickets down. Of these runs M Baker hit a good 37 and H Forster  
took his total to 25.

## A WELCOME CHANGE

Many thanks to everyone who came along to my induction as Vicar of Haydon Bridge on 5th Sept. The Parish Church was full to overflowing and the welcome was a warm and friendly one. Many thanks also to the ladies who laid on such a marvelous spread for the reception in the church hall afterwards.

Apart from the many people from Haydon Bridge who were present, there were clergy from neighbouring parishes and churches and a large group of people from my old parish - Eighton Banks, Gateshead - who were all made at home and were well impressed by the occasion.

After spending most of my working life in large towns and cities, I look forward to our future in Haydon Bridge. It is a welcome change both for me and for my family. Already folk have helped us to feel at home and for that we are most grateful. I look forward to getting to know more people as the weeks go by.

As a priest my role is primarily a spiritual one. In particular it concerns the worship of God and in helping people to get to know God in Jesus Christ. That will be at the centre of what I do but there are many other ways too in which I may be of some use. I hope you will find me approachable and willing to help in any way that I can. Please do not hesitate to get in touch with me if you think I can help. My telephone number is 307.

Best Wishes Keith Fletcher

## THE CATHOLIC CHURCH

WHAT DOES IT TEACH?. WHAT ARE IT'S BELIEFS?.ETC.

All Christine, as well as those who have no faith, are invited to come along to St Wilfrid's R.C. Church, Main St Haltwhistle on Monday evenings from 7.30pm until 9.0pm.

The Talks and Discussions will have just commenced by the time you receive your Oct copy of the Haydon News, depending on when it is issued. If you have not received your copy by Monday 30th Sept, then come along on Monday, 7th October and on the following Monday evenings for the remainder of the year and into 1986.

The Talks will be conducted by Sr. Catherine, a nun from Minsteracres Monastery, and by Fr T Power.

The Title of our Programme is 'A Journey In Faith'. This is a process by which we travel towards the Promised Land together, sharing our Faith with each other and with enquirers who are to travel with us.

In this sharing we will deepen our sense of what it means to be a Christian and help each other to a closer relationship with God. Because we need to put our faith into words, we look at our beliefs and what we hold about Christ and his Church.

We respond to the call of Jesus, God made man, with respect, love, worship, in prayer and in our Liturgy. These are very personal to each one of us, and it is good for us to come together to share our insights and beliefs and encourage each other to a deeper and more lively relationship with him, we learn from each other.

DO PLEASE COME ALONG

## A HANDY STORY

I am called Hayley Plate and I am a member of the first Tumbledown Girl Guides. Tumbledown is a large village on a side of a mountain far away in the country. I have a very serious but strange story to tell

The main character is a girl called Sylvia Spoon. It was one evening at Guides when we were playing pass with the ball. Our Leader Mrs Kaife and her assistant Mrs Fork called us up for a POW WOW. We were all told that Guides had to change from a Tuesday to a Wednesday evening. Sylvia immediately said loudly and sharply that she couldn't come. She acted so stangley that everyone looked at her and began to whisper. Things like that she's got a date, no, her favourite tv programme was on then, don't be stupid she can't be bothered to come you know what she's like, were some of the things said about her.

The following Guides meeting came, we were all there except Sylvia. Our second leader Mrs Fork came and told us that Guides had to be cancelled because Mrs Knife had cut herself and she herself had to go to a meeting. We all went home, so me and my friend Sarah Dish decided to go and call on Sylvia. Sylvias mum said that she had gone out before she had come in and had not left a note saying where she was going.

We were asked to look for her so we went down to the river where Sylvia often went. There was an island called Bush Island it got its name because it was covered in trees and bushes. There were some recent foot prints in the damp sand, so we followed them, they went into some bushes, there was a box blocking our way.

We stepped over it and then opened the box. Inside was some wood and a spare hammer and some nails. I say a spare hammer because further in the bushes I could hear a hammer banging, could this be Sylvia?

We walked on then into a clearing, wherein the middle was Sylvia, building something. She saw us and quickly hid it behind her back. Sarah spoke first "What your hiding".

"Nothing, it's got nothing to do with you", replied Sylvia. We began to walk away coz we knew we wer'nt welcome, then she called us back, "here take a look" she said

"Why" I said "it's a bird box, it's great it's the type you put on trees.

She told us that she had made about 6 bird boxes and that she was doing it to make money.

Sarah said that she was rich enough so why did she need money. All that money what she made was to go into Guides funds.

On the evening she couldn't come to Guides because a boy called John was giving her some wood and he was going to show her how to make the bird boxes. I laughed and said "So you were meeting your boyfriend".

"Well not exactly" she said "John is a friend of mine but we've known each other for years now".

We all helped to make more bird boxes that evening and we went home feeling that it was better than going to Guides.

But this is not the end of the story with Sylvia Spoon.

All the bird boxes were sold quite easily we made 20 all together and made £20 for the Guides funds. Can you guess how much each bird box cost ?

Answer £1 each.

CONGRATULATIONS to MR. RALPH PICKERING  
of Langley Farm Cottage.

On Friday Oct. 11th, as part of their Golden Jubilee celebrations, the National Association of Boys' Clubs are having a special dinner at which they will present NABC Keystone Awards to persons who have made a major contribution to the work of the Northumberland Association during the past 50 years. Mr. Pickering has been invited to receive his special Golden Jubilee Award personally.

This will be his second, the first being for over 30 years' service in the Northumberland area and presented in 1979.

Mr. Pickering started his first boys' club at Langley Reading Room in 1947 and this was affiliated a year later. In the 1950s he took over the HB club at the Community Centre. The work here was voluntary and run and financed by the boys themselves until affiliation with the LEA in the 1970s.

He has seen a number of his boys go on to success in adult life and has found his work with the clubs both interesting and rewarding.

Now semi-retired due to ill health, Ralph Pickering still retains an interest in local youth, his last club being at Bardon Mill.
